## House of Representatives

FRIDAY, APRIL 17, 2020

The House met at 11 a.m. and was called to order by the Speaker pro tempore (Mr. CLAY).

### DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,  
April 17, 2020.

I hereby appoint the Honorable WILLIAM LACY CLAY to act as Speaker pro tempore on this day.

NANCY PELOSI,  
*Speaker of the House of Representatives.*

### PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: God of mercy, thank You for giving us another day.

We ask You, O Lord, to come to our aid now, in the midst of the global spread of the coronavirus, that we may experience Your healing love. Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbors from helping one another.

Be with those who have died from the virus. May they rest in peace.

Be with the families of those who are sick or have died. Defend them from illness and despair. May they, too, know Your peace.

Be with the doctors, nurses, researchers, and all medical professionals who

put themselves at risk in the process. May they know Your protection and peace.

Be with the leaders of all nations. Give them the foresight to act; the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know Your peace.

Stay with us as we endure and mourn, persist, and prepare. Give us Your peace and heal us.

May everything done this day be for Your greater honor and glory.  
Amen.

# EXTENSIONS OF REMARKS

## REMEMBERING FREDERICK LANGSTON HUNT

**HON. DONNA E. SHALALA**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 17, 2020*

Ms. SHALALA. Madam Speaker, I rise in memory of Frederick Langston Hunt, who passed away peacefully on April 8, 2020. My thoughts are with his family.

Frederick Langston Hunt, the only child of Frederick F. Hunt and Bernice S. Hunt, grew up in the close-knit community of Coconut Grove, FL. He graduated with honors from G.W. Carver High School and was a member of the Thorians Class of '64. After completing his undergraduate education at Howard University and earning his master's degree from Montclair University, he moved to Albany, Georgia where he met Cellestine Hill, whom he married in 1972. He and Cellestine shared a dedication to the civil rights movement and a gift for making each other laugh.

In the early seventies, the Hunts moved to Greensboro, NC, where Frederick was a doctoral candidate at the University of North Carolina at Greensboro. Over the years, he served as Director of African American Studies at Guilford College and as a professor at Shaw University. Fred was also instrumental in establishing the Head Start program in the Triad area. It was during this time that Maia Nataka Cellestine Hunt, their only child, was born. Fred took such pride in his only child, who favored him so much, that some joked she should have been named "Fredericka".

Frederick was an educator with the mind of an entrepreneur, a heart for his people, and the spirit of a musician. The common thread in everything he pursued was his commitment to racial, social, and economic justice. His passion for education and learning dominated his early professional life, and he always made time to be a trusted counselor and guide for young people. Frederick started a mentoring group for young men, frequently hosted Kwanzaa celebrations at his home or community centers, and dedicated himself to serving Dudley High School through the Parent Teacher Association. He always remained active in local politics and service organizations like the N.A.A.C.P.

Even when Fred focused his professional efforts on real estate, first as an agent and later establishing his own real estate firm, he continued to find ways to serve. He hosted workshops to prepare people for home ownership and frequently assisted customers with their first home purchases. He was regularly recognized by his peers and the High Point Regional Association of Realtors for excelling in the field, and he continued his real estate business when he returned to Miami to be closer to his mother.

Once he settled in Coconut Grove, he joined Greater St. Paul, A.M.E., where his mother was a lifelong member. He was also a member of the Greater St. Paul Male Chorus

and the Sons of Allen, a group dedicated to fellowship and mentoring in the community. In 2012, as his health challenges mounted, he moved to Maryland to be closer to his daughter.

Frederick is survived by his daughter, Maia Hunt Estes; his son-in-law, Elliott; his chosen siblings, Dr. Thomas Garvin and June Garvin; his niece Loren Statia (Jeff); and nephew Khari Garvin (Leslie); his in-laws, Estell Scott Estes and Eric and Jacinta Estes; his grandnephew Ethan Estes; and a host of friends and loved ones who became his family.

Guy was known for many things, he was a faithful member of Saltillo First United Methodist Church where he enjoyed listening to

Brother Tim Greene's sermons. Guy frequently enjoyed fellowship with his many friends over a good meal, and could always be seen with his wife, Elaine; on their front porch waving to honking friends as they drove by. He was an avid sports fan and especially enjoyed watching his daughter's softball games, coaching men's softball, and watching the New York Yankees and Dallas Cowboys. Guy was most well-known for being a childhood friend of Elvis Presley. Guy took great pride in his role as a historian for the Elvis Presley Birthplace and Museum in Tupelo and helped author "We Remember Elvis" with his first-hand accounts of growing up with the King of Rock and Roll.

She specifically directed Federal Programs, Personnel, Curriculum and Technology. In July 2008, Dr. Pulley was appointed Interim Superintendent of the Greenwood Public School District. In January 2009, she was named Superintendent of the Greenwood Public School District. Under Dr. Pulley's leadership, the school district received district-wide SACS accreditation, implemented a dress code, modified the grading system to a 10 point scale, brought dual enrollment from Mississippi Valley State University to Greenwood High School, restructured the athletic program and significantly improved student achievement by placing academics first. Ultimately, according to the State Department of Education, the Greenwood Public School District was rated as a 'Successful School District for Three Years in a Row': 2009–2010, 2010–2011, and 2011–2012'. The school district was also presented The TORCH Award by the Mississippi School Boards Association. Further, under her leadership, the Mississippi Teacher of the Year was selected from Greenwood High School, and Bankston Elementary School was named as a National Blue-Ribbon School.

Dr. Pulley retired in 2012 and was later named as Conservator of the Oktibbeha County School District. Dr. Pulley successfully cleared all accreditation violations and successfully led the consolidation efforts of the Oktibbeha County School District with the Starkville School District. Oktibbeha County Schools was rated a "C" school district.

In July 2015, Dr. Pulley was named as Conservator in the Tunica County School District. Under her leadership, academic achievement has improved, and the Tunica County School District has been recognized by the Mississippi Department of Education for having the highest achievement in the state for math growth among the lowest 25 percent of high school students. Additionally, Dundee Elementary has been recognized as having the highest achievement in the state for math growth

among the lowest 25 percent of elementary students. Recently, the principals at Dundee Elementary and Rosa Fort High School received recognition as finalists for the MS principal of the year. Presently, Rosa Fort ranks No. 8 in the state for its graduation rate (93.1 percent).

Dr. Pulley has received numerous awards and recognitions which includes but are not limited to: National Association of Federal Programs Administrators Service Award; Delta Sigma Theta Sorority Service Award; Certificate of Achievement from the Yale Child Study Center; Administrator of the Year for the Greenwood Public School District; Friendship Baptist Church: Badge of Courage Ward (2010); Greenwood Voters' League: Lady of the Year (2010); Superintendent of the Year: Delta Area Association for the Improvement of Schools (2010); Delta's Best in Education Award: 2011; and Shiloh 7th Day Adventist: Educator of the Year: 2011.

Dr. Pulley is a lifelong member of Springhill Baptist Church in the Browning Community where she serves as a trustee and church secretary. In Dr. Pulley's spare time she loves to attend and watch basketball and football games, read, and cook for her entire family every Sunday and all holidays. She also takes care of her eighty-eight (88) year old mother who lives with her. Dr. Pulley, a widow, was married to the former Superintendent of the Leflore County School District, Mr. Cedell Pulley. She has three adult sons: Bill, a recreation center director; Kelvin, an attorney; and Kenneth, deputy superintendent of schools. She also has three beautiful grandchildren: William, Rhaegan, and Morgan, and a daughter-in-law, Jessica.

Madam Speaker, I ask my colleagues to join me in recognizing Dr. Margie Brown Pulley for her dedication to serving her community and this great state.

IN HONOR OF HOOSIER HERO,  
OFFICER BREANN LEATH

**HON. ANDRÉ CARSON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 17, 2020*

Mr. CARSON of Indiana. Madam Speaker, today I rise with a profound sense of sadness to remember Indianapolis Metropolitan Police Department (IMPD) Officer Breann Leath, a fallen Hoosier who dedicated her 24 years of life to serving others. I join the City of Indianapolis, the IMPD, as well as the entire law enforcement community over the loss of a true public servant.

On April 9, 2020, Officer Leath responded to a domestic violence call on the east side of Indianapolis and was tragically killed. Officer Leath was responding to a call for help, like she had done bravely so many times over her career. She acted bravely and dutifully, and without hesitation and in doing so, sacrificed her own life.

Prior to her three years of service with the Indianapolis Metropolitan Police Department, Officer Leath served in the National Guard with the 387th Military Police Company at Camp Atterbury where she was honorably discharged as a specialist. Those who knew her in high school recall she always wanted to be a police officer. IMPD Chief Randall Taylor stated of Leath, "She is the example of the type of officer we want on this department." It is clear Officer Leath had a passion to her community and country. She was twenty-four years old and is survived by a young son as well as her parents who both served with the Marion County Sheriff's Office.

Today, I ask my colleagues to join me in extending our thoughts and prayers to Officer Leath's family. Our communities need more dedicated public servants like Leath. We pay tribute to her life by maintaining our steadfast support for law enforcement providers who honorably and selflessly serve our communities.

ONGOING TRANSATLANTIC ENGAGEMENT THROUGH THE OSCE PARLIAMENTARY ASSEMBLY

**HON. RICHARD HUDSON**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 17, 2020*

Mr. HUDSON. Madam Speaker, I rise to today to update my Congressional colleagues on continued discussions between members of the Organization for Security and Co-operation in Europe (OSCE) Parliamentary Assembly. I would also like to share the desire of our international friends and allies to remain engaged with the United States during these challenging times.

My colleagues who serve with me on the U.S. Helsinki Commission and remain active include Representative ALCEE HASTINGS of Florida, Representative JOE WILSON of South Carolina, Representative STEVE COHEN of Tennessee, Representative ROBERT ADERHOLT of Alabama, Representative GWEN MOORE of Wisconsin, Representative CHRIS SMITH of New Jersey, as well as Senator WICKER of Mississippi and Senator CARDIN of Maryland. As the United States Delegation to the OSCE Parliamentary Assembly, we recognize the importance of building partnerships with our counterparts from other countries especially during such unprecedented times.

As the Chairman of the Committee on Security, I recognize multilateral diplomacy works to U.S. interests when we take the initiative. Parliamentarians have a special role to play as elected officials in this process, showing the depth of each of our country's commitment to security and cooperation not only in Europe, but around the globe.

During our most recent video conference, Italian Minister for European Affairs, Vincenzo Amendola, joined to update us on Italy's response to COVID-19. He stressed the need for continued cooperation in response not only to the health threat but also to the economic havoc the pandemic has caused.

Shortly after our video conference concluded, Secretary of State Mike Pompeo announced the United States will provide an additional \$225 million in health, humanitarian and economic assistance to boost response efforts worldwide. This is in addition to the \$274 million already deployed to fight COVID-19. In the past two decades, the Secretary noted, the United States has provided \$140 billion in health assistance globally, helping to make us an undisputed leader in health and humanitarian aid. Some of this aid has been to countries in Europe, including Italy. I would add that this is not only a reflection of our country's unmatched generosity over the decades, but our national interest as well. Many of the health threats we have faced come from beyond our borders, including COVID-19, and we have an interest in trying to respond effectively to those threats where they first develop, before they reach our shores.

A final outcome of the recent video conference was endorsement of United Nations Secretary General Antonio Guterres' recent call for a ceasefire regarding conflicts around the globe at this time when countries need to face a common pandemic threat.

The Helsinki Commission provides Members of Congress with the opportunity to work with our friends and allies around the globe to pro-

mote our shared democratic values and work in a bipartisan fashion on core foreign policy issues. While our calls have been focused on fighting COVID-19 we are still tracking other international conflicts. For example, during the video conference I, along with other parliamentarians, raised the issue of the unwarranted Russian aggression in Ukraine and Georgia. I am encouraged by the level of engagement from my OSCE Parliamentary Assembly colleagues and will continue to work with them through this global pandemic.

Madam Speaker, please join me today in recognizing the importance of these discussions with our European allies and friends.

# TRIBUTE TO JENNIFER HOLMES

## HON. KAY GRANGER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 17, 2020*

Ms. GRANGER. Madam Speaker, I rise today to honor Jennifer Holmes, a member of the professional staff of the House Appropriations Committee, who is retiring after 28 years of service to the Legislative Branch.

Jenny began her Federal career in 1986 working for the U.S. Government Accounting Office. Soon after, in 1989, she started her long tenure working for the House Appropriations Committee, first as staff of the Treasury-Postal Service and Defense Appropriations Subcommittees.

After leaving the Hill briefly to work in the private sector, Jenny returned to the House Appropriations Committee in 2005. In 2007, Jenny became professional staff for the Legislative Branch Appropriations Subcommittee where she was instrumental to the operations of Congress. In response to two tragic events that affected our colleagues in the House of Representatives, the shooting of Congresswoman Gabrielle Giffords and the shooting at the Congressional baseball game practice, Jenny worked tirelessly to ensure that resources were focused beyond just the few square blocks that make up the Capitol grounds.

Jenny advocated for infrastructure projects that will make the Nation's Capital, specifically the U.S. Capitol grounds, accessible for years to come. Jenny was involved in many important projects, such as the restoration of the Capitol dome, improvements to the Capitol power plant, billion-dollar renovations of the Cannon House Office Building, the Library of Congress's Visitor Experience initiative and so many more. Jenny and her colleagues on the committee staff oversaw many of these projects from start to finish, and she should be very proud of her accomplishments.

Jenny was known to cheerfully volunteer to coordinate retirement ceremonies, portrait dedications, and other social events for the Appropriations Committee. Jenny also demonstrated her leadership and compassion by pulling together Appropriations Committee staff, Members, and external stakeholders for a very meaningful celebration of life event in honor of Chuck Turner, a long-time Committee staff member who was a dear friend and mentor to many.

A hallmark of Jenny's reputation was being a problem solver. She dedicated so much of her life to public service and never forgot why she was here. I know Jenny is looking forward to spending time with her husband Paul, her sons Kevin and Caiden, her daughter Karley, and her horses. We wish her the very best in her next journey and thank her for everything she has done for the United States Congress.

# REMEMBERING JOHN PRINE

## HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 17, 2020*

Mr. COHEN. Madam Speaker, I rise to pay tribute to a great singer-songwriter and friend, John Prine, who passed away last week in Nashville from complications of the coronavirus. John was an exceptional lyricist, described by his friend and producer Jerry Phillips as "thinking like nobody else thought" and writing lines that were "brilliant in the strangest way." John produced three of his 18 albums in Memphis, including his debut, the eponymous "John Prine," in 1971. The album was cut at Chips Moman's American Sound Studio, and included his classics "Angel from Montgomery" and "Paradise." His fourth album, "Common Sense," was made in 1975 at Ardent Studios in Memphis and was produced by the legendary Steve Cropper. His sixth album, "Pink Cadillac," was made at the Sam Phillips Recording Service in 1979 by Sam's sons, Knox and Jerry. John's last album, "The Tree of Forgiveness," was recorded in Nashville and produced by his friend Matt Ross-Spang of Memphis. Songs from that album—"You Got Gold," "When I Get to Heaven" and "No Ordinary Blue"—were part of his last performance in Memphis, at The Orpheum, on September 25, 2018. John's songwriting career took off when, working as a postal worker in Chicago, he was discovered by singer-songwriter Kris Kristofferson. Bob Dylan said of his work: "Prine's stuff is pure Proustian existentialism. Midwestern mind trips to the Nth degree. And he writes beautiful songs." Always gracious and friendly, he seemed to his friends to be delighted with life. As Ross-Spang told *The Commercial Appeal*: "If you can imagine a kid eating an ice cream cone for the first time, that's how John looked at life. He had a love of Archie comics, hot dogs, meatloaf, fried chicken and Cadillacs. He always had a twinkle in his eye." And as

his friend Memphis singer-songwriter Keith Sykes said in tribute: "I don't think there's many songwriters who can make you laugh and cry in a single line—and make it rhyme." John Prine's was a life well-lived and he's been taken too soon. He leaves the treasure of song for future generations to enjoy and learn about life. He will be missed.

#### HONORING HUSKY HALL

#### HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 17, 2020

Mr. GRIFFITH. Madam Speaker, I rise in honor of Robert "Husky" Hall, a giant in the world of Virginia high school basketball who set several coaching records with the Martinsville Bulldogs. Coach Hall died on April 5, 2020, at the age of 91.

Husky Hall was a native of Fieldale in Henry County, Virginia. He played basketball, baseball, and golf at Elon College, now Elon University, in North Carolina and earned a master's degree in education from the University of North Carolina at Greensboro. He also served his country in the United States Army during the Korean War. After coaching boys and girls varsity basketball in Pleasant Grove, North Carolina, he became an assistant basketball coach at Martinsville in the 1950s.

The head coach at the time, Mel Cartwright, Sr., was another major figure in Martinsville sports. During the early years, Husky Hall was the assistant, then began sharing duties with Coach Cartwright. In this period, Martinsville earned state championships in 1958, 1961, and 1964.

Husky Hall became Martinsville's head coach in 1965 and held the position until he retired in 1995. Over those years, his teams won 605 victories, a Virginia High School League (VHSL) record at the time. He still holds the VHSL record for the seven state championships his teams achieved, in 1966, 1976, 1980, 1981, 1982, 1985, and 1986, and for playing in seven consecutive state championship games from 1980 to 1986.

Coach Hall's leadership focused on the fundamentals of basketball. He insisted on leadership and discipline. As a result, he brought out the best in his players and his assistant coaches, some of whom went on to great coaching careers of their own, and college coaches sought the secrets of his success.

On top of his basketball duties, Husky Hall coached golf at Martinsville as well. In that role, the school won its only state championship at the Group AAA level in any sport in 1974.

In 1994, Coach Hall told the Roanoke Times about his approach: "If it's going to work, someone has to be in charge, and you hope the players look up to the coach because he's

earned their respect." He succeeded in earning the respect not only of his players and assistant coaches but the whole Martinsville community and the world of Virginia high school basketball. The Virginia High School Hall of Fame inducted Coach Hall in 91, the second year of its existence.

Coach Hall is survived by his daughters Robin Morgan and Terry Jamerson and seven grandchildren. He was predeceased by his wife, Verona. I offer my condolences to his family on their loss. Husky Hall's name will live long in Virginia high school sports.
